

..... Wild Trails at Pilibhit Tiger Reserve.....

Pilibhit Tiger Reserve is located in Pilibhit district of Uttar Pradesh and was notified as a tiger reserve in 2014. It forms part of the Terai Arc Landscape in the upper Gangetic Plain along the India-Nepal border. The habitat is characterised by sal forests, tall grasslands and swamp maintained by periodic flooding from rivers. The Sharda Sagar Dam extending up to a length of 22 km (14 mi) is on the boundary of the reserve.

Pilibhit is one of the few well-forested districts in Uttar Pradesh. According to an estimate of the year 2018, Pilibhit district has over 800 km² (310 sq mi) forests, constituting roughly 23% of the district's total area. Forests in Pilibhit have at least 65 tiger and a prey including five species of deer. The tiger reserve got the first international award TX2 for doubling the tiger population in a stipulated time.

It is home to a habitat for over 127 animals, 326 bird species and 2,100 flowering plants. It is a mosaic of high sal forests, plantation and grasslands with several water bodies. The jungles are home to a myriad of wild animals including the endangered tiger, swamp deer, Bengal florican, hog deer, leopard, etc. The large carnivores are supported by a very large prey base consisting of cheetal, sambar, wild boar, hog deer, swamp deer, blue bull, etc. The bird life is very rich and diverse and hundreds of species of birds can be seen round. The Chuka Interpretation Zones with nature interpretation center, cottages & edge of huge water body is unique & very popular with visitors. The area of Pilibhit Tiger Reserve has a dry and hot climate which brings a combination of dry teak forest and Vindhya mountain soils. The major forest types found here include open woodlands, grasslands and riverines covered with thorny woodlands and tall grass. The dry deciduous forests of the area exhibit lush green color in monsoons while in summers, they undergo a dynamic change and turn to desolate grey shade. The specific flora found in Pilibhit Tiger Reserve is *Tectona Grandis*, *Buchnaniania latifolia*, *Anogeissus pendula*, *Madhuca indica* etc.
